ÁLBUM: SUCK IT AND SEE

PAÍS: Reino Unido

ACORDES

E

A

Verses:

E

Pussyfooting

Setting sun

A

Make a wish that weights a ton

E

There are no handles for you to hold

A

And no understanding where it goes

E

A

E

Jealousy

In Technicolor

A

Fear by name

Love by numbers

E

Streetlight amber

Wanderlust

A

Clouded rainbow

Blunderbuss

Chorus:

E

She looks as if she's blowing a kiss at me

And suddenly the sky is a scissor

A

Sitting on the floor with a tambourine

Crushing up a bundle of love

E

Don't take it so personally

You're not the only one

A
That time has got it in for, honey
That's where you're wrong

E A

Verses:

E
All the old flames
Fastened on
A
Make a wish that weights a ton
E
There are no handles that you can hold
A
And no understanding where it goes

Solo:

E A

(Chorus)

E
She looks as if she's blowing a kiss at me
And suddenly the sky is a scissor
A
Sitting on the floor with a tambourine
Crushing up a bundle of love
E
Don't take it so personally
You're not the only one
A
That time has got it in for, honey
That's where you're wrong
E A
That's where you're wrong
E
That's where you're wrong
A E A E
Ooohh
