Well. Im up here in this womb

A7 E

Im looking all around

B7

Well, Im looking out my belly button window

A7 E

And I see a whole lot of frowns

B7 A7 E

And Im wondering if they dont want me around

What seems to be the fuzz out there?

Just what seems to be the hang?

cause you know if ya just dont want me this time around,

Yeah Ill be glad to go back to spirit land

And even take a longer rest,

Before Im coming down the chute again

Man, I sure remember the last time, baby

They were still hawkin about me then

So if you dont want me now,

Make up your mind, where or when

If you dont want me now,

Give or take, you only got two hundred days

cause I aint coming down this way too much more again

You know they got pills for illls and thrills and even spills

But I think youre just a little too late

So Im coming down into this world, daddy

Regardless of love and hate

And Im gonna sit up in your bed, mama

And just a grin right in your face

And then Im gonna eat up all your chocolates,

And say i hope Im not too late

So if theres any questions,

Make up your mind

cause you better give or take

Questions in your mind
Give it a take,
You only got two hundred days

Way up into this womb
Looking all around
Sures dark in here
And Im looking out my belly button window
And I swear I see nothing but a lot of frowns
And Im wondering if they want me around
