Send them your heart so they'll know that someone cares
And their lives will be stronger and free
As God has shown us by turning stones to bread
So we all must lend a helping hand

Chorus:
We are the World, we are the children
We are the ones who make a brighter day so let's start giving
There's a choice we're making, We're saving our own lives
It's true we'll make a better day, just you and me

When you're down and out, there seems no hope at all
But if your just believe there's no way we can fall
Let us realize that a change can only come
When we stand together as one
