LETRA:

Girl, it's been a long time that we've been apart
 Much too long for a man who needs love
 I miss you since I've been away
 Babe, it wasn't easy to leave you alone
 It's getting harder each time that I go
 If I had the choice, I would stay

There's no one like you
 I can't wait for the nights with you
 I imagine the things we'll do
 I just wanna be loved by you

No one like you
 I can't wait for the nights with you
 I imagine the things we'll do
 I just wanna be loved by you

Girl, there are really no words strong enough
To describe all my longing for love
I don't want my feelings restrained
Ooh, babe, I just need you like never before
Just imagine you'd come through this door
You'd take all my sorrow away

There's no one like you
I can't wait for the nights with you
I imagine the things we'll do
I just wanna be loved by you

No one like you
I can't wait for the nights with you
I imagine the things we'll do
I just wanna be loved by you

No one like you
